

Discipleship and the Devotions of the Heart

You can listen to the sermon, Discipleship and the Devotions of the Heart, from [Sunday, October 30](#) (if you missed it and once it becomes available) and consider the following:

1. What is the devotional life other than the life considered and devoted to God and God's will?
2. Are you longing to be a devoted disciple?
3. Discipleship includes devotional training.
